## Paint an Accent Wall

These steps will help you complete your project.

Wall

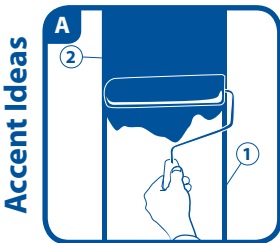

1  
Protect floors with canvas drop cloths. Tape off areas you aren't painting.

2  
Paint along tape edge with a 2"-4" brush. An edger can also be used.

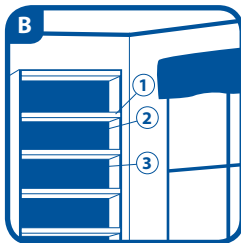

3  
Paint walls with roller, applying strokes in the shape of a "W." Work in a 2'x2' section, moving left to right then up and down.
